

## Annual day celebrated with great fervour

Ashwini International School organised a grand event in the form of Annual Concert on December 16 at Ram Krishna More Natya Gruha on the theme "KRISHNA". This was that day of the year when students, teachers and parents all came together to witness the beautiful colours of emotions.

Management, office staffs, teachers, and students, including non-teaching staffs all, were very excited for this grand celebration of 2022-23. The chief guests for the programme were Priyadarshini G, Creator of GitaPadesh and Surabhi Sahai, Founder Director of cognIQ Excellence. The other dignitaries those who graced this occasion included Sachin Pawar, Chairman, Ila Rathore, Director, Alpana Mohanta, Principal, Swati Rathore, Co-ordinator of Ashwini International School.

The event was divided into two-time slots. The students from Play Group to class II performed in the first slot and the students from classes III to X performed in the second slot.

The first slot began at 10.30 am in the morning with lighting of the lamp by all the dignitaries. This event was hosted by Arinita Singh and Nidhi Shah. The event started with the welcome song by the students of classes I and II. A series of colourful and wonderful dance perfor-

Felicitating Chief Guest on Annual Day

ances were performed by all the pre-primary, class I and class II students on Krishna theme.

All the parents were overwhelmed to see the astonishing performance with confidence by the little ones. Students of various classes took part in dance performances and drama. Their enthralling performances filled the hall with sounds of cheers and clapping.

The Principal of the school Alpana Mohanta presented the annual report accentuating the progress of the school in various fields throughout the year through

PPT Presentation.

Vedant Bhagwat and Shubham Pal grabbed the Student of the Year award and Most Promising Student of the Year respectively for the academic year 2021-22. Later the teachers who were awarded a memento for their long association with Ashwini International School included Deepak Sahu, Bharati Sukhnikar, Pratiksha Wakde, Suvarna Patil, Sneha Daga, Ms. Mayura Yadav, Ms. Neeti Shrivastava, Ms. Shrawani Shinde, Swati Shrivastava, and Kalishah Jadhav.

The event saw a number of exuberant performances

which included dance and drama. Aditi Kurane, Aditya Dhavale, Jiya Kumbhar from class X and Vansh Sharma from class IX hosted the entire program. Each and every performance was based on the theme 'Krishna' and was very nicely exhibited by all the students.

The parents enjoyed all the performances and appreciated them with thunderous claps. The event came to an end with a promise to put up such grand shows in the future and keep the school's legacy of conceptualising meaningful programs in the future too.

## Young innovators shine at Avishkar competition

On the occasion of National Science Day, AVISHKAR Interschool Competition was organised by S B Patil Public School on February 28. Students of Ashwini International School (AIS) took initiative and participated in Model making competition, Painting, and Sketching competitions. Young innovators from classes VI and VII presented a model on Sustainable

Development Goals (SDG-17). The working model presented by AIS was based on SDG-14 Life below water; how the 'Climate Action' (SDG-13) affects the 'Life Below Water' (SDG-14) and ultimately affects the 'Economic Growth' (SDG-8).

Budding talents of our school presented the model with great joy and enthusiasm. Students of AIS brought laurels to the school by win-

ning first prize in 'Model Making'. Students were awarded certificates of excellence and gifts.

Competitions offer a chance to gain substantial experience to showcase skills, analyse and evaluate outcomes and uncover personal attitudes. Inter School competition promotes the competitive spirit and encourages each and every student to adopt innovative techniques

and develop ideas and skills. It was a great learning experience for all the participants. Winners were appreciated by the principal - Alpana Mohanta, Co-ordinator - Swati Rathore, and the Management Committee of AIS for the spectacular achievement. Achievement does not require extraordinary ability; it comes from ordinary abilities applied with extraordinary persistence.

Students presenting their model during Avishkar Interschool Competition

## Orientation programme for parents and teachers

The foundation for good parent teacher relationship is frequent and open communication, mutual respect and a clear understanding of what is best for an individual child. In pursuit of the same, Ashwini International School, Tathawade organised an Orientation Programme for the teachers and parents of class I to X to recognise and define the concepts of learning and understanding Gita shlokas (in the present system of education) to recognise factors responsible for strengthening value-oriented education through Bhagavad-Gita's teachings and its impact on the modern and progressive educational system on October 1. The programme commenced with a warm welcome to the parents.

The aim of this workshop was to make the parents aware of the importance and a need of GitaPadesh for students in curriculum. For it can encourage the habit of self-inquiry and guide them towards adopting a pragmatic approach to life.

The session was conducted by Ms. Priyadarshini, she said that with the advent of time, Sanskrit language is losing its popularity and to our dismay, the lessons from Bhagavad Gita are fading away

from our lives, so to enliven it she explained the parents the values and principles enshrined in the Bhagavad Gita and how we can introduce it in school curriculum. She also said that Bhagavad-Gita's Teaching is acting as a catalyst in the development of val-

greater role in building capacity for institutional leaders. She also said that Bhagavad-Gita's Teachings influence value-oriented education which is necessary for a whole range of factors as for example physical value, mental value, moral value, disciplinary

of Bhagavad Gita can help one to find solutions to various problems of everyday life and also improve linguistic skill. The programme concluded with question answer session in which the parents shared their doubts and queries as to how students can learn and

Ms. Priyadarshini, the resource person explaining the principles enshrined in the Bhagavad Gita

ue-oriented education. The developing countries like India have been facing problem of lacking value-oriented education. To solve this problem, Bhagavad-Gita's teachings help a lot in inculcating value education not only amongst students but also takes a

value, emotional and so on. Ms. Priyadarshini visualised the parents and teaching staff, few videos of shloka chanting with its explanation. She also gave very beautiful explanation of importance of GitaPadesh through story telling as to how shlokas

understand the appropriate meaning of different shlokas and how they can retain them. Indeed introducing GitaPadesh in school educational curriculum can teach the students morality, ethics and also the responsibility towards wellbeing of society.

## Exceptional talent showcased at National Scrabble competition

Students of Ashwini International School participated in the Interschool Zonal level competition of Scrabble. The competition was organised at Elpro International School, Chinchwad, Pune in association with Mattel and the Scrabble Association of India. over 100 students participated. It initiated the importance of vocabulary in each one's life.

The game delivered the thoughtful need of using various techniques, such as mathematics, logic, and memory giving an unusual experience to all the students.

Students played the game in three rounds to reach the finale. The first three rounds were for all the participants out of which the best 26 were chosen and sent to the finale.

All the winners were

Students showcasing various techniques at the Scrabble competition

awarded a trophy and a kit of Scrabble game, making them feel really proud and overjoyed. Our school stu-

dents were given a certificate of participation as well. The competition gave a unique experience to every

student, as it was the first time to have a National Level Scrabble competition in India.

## At Beacon High School, Moshi

"Yoga is the journey of the self, through the self, to the self."

International Yoga Day is celebrated on June 21 as a global event. The aim of World Yoga Day is to make people aware of the benefits of yoga. Yoga is an ancient art, which originated in India around thousands of years ago. It helps us to live a healthy life. To mark this global event, an interschool yoga competition was organised by Beacon High School, Moshi, on June 20. Students of class III to X at Ashwini International School participated in the competition with great zeal.

The organising school made good arrangements to ensure that the competition is carried forward in a well-planned manner. Teachers and student council of Beacon School were allotted different duties like receiving guests,

making proper sitting arrangements, stage decoration, etc. Participants from different schools were invited in large numbers and welcomed with great warmth. Experienced judges were invited to judge the event. The organisers also made good arrangements of refreshments for all the invitees.

Students were very excited to present their yoga performance and postures and spent a memorable day altogether. Finally, the programme concluded with the announcement of winners. All the achievers were rewarded with trophies and certificates.

It was a great day for the students of AIS as the school was awarded with the trophy of 'Most Obedient School'. The principal and school management congratulated all participants for this remarkable achievement.

Awarded trophy for 'The Most obedient School'

## THE POWER OF RED!

Red is a stop sign,  
Red is a rose,  
Red is an apple and a funny clown's nose".

'Red' colour symbolises enthusiasm, life and vitality. With this thought Pre-primary kids of Ashwini International School, Tathawade celebrated Red Day with the theme 'Christmas' on December 23. It was a pleasant and joyful red day for the little ones.

The purpose of celebrating red day was to make the children aware of the colour red, its significance and to develop their fine motor skills through the activity. The dress code for the day was red. All the children came dressed up in different shades and hues of red. The classrooms were decorated with red balloons and chil-

dren were introduced to red colour.

Teachers decorated the assembly area with an array of red-coloured objects like balls, flowers, Santa Cap, etc. and also explained to them the importance of red colour. Students were provided with an opportunity to have a clear sense of colour and its importance.

The little ones prepared a paper snowman too. As Santa Claus distributed chocolates and danced with the little ones, excitement and enthusiasm was visible everywhere. It was a memorable, joyful and a cool red day for the tiny tots as their innocent faces were gleaming and reflecting with brightness, joy, love and happiness.

Paper snowman craft activity by students

# A Mega Children's Day

Ashwini International School celebrated Children's Day with full enthusiasm and fervour with a series of events scheduled for two days, November 11 and November 12. On 11th Nov all students from Classes I to X were shown an animated movie in three different slots. Movies touched students in a way that they never imagined, forever altering their perceptions about the world around us. They got great intense learning from the movies. Post watching the movie, students expressed

their views and learnings from the movie in their own words. Moreover, the celebration of Children's Day continued for the second day as a Mega Fun Fair was organised to make the occasion more special. The Mega Fun Fair was organised on Monday, November 14 2022 in the school premises, bringing lots of excitement among students and parents. It was a great gathering where students, parents, and teachers spent the day, playing games, eating food stuff with all good music. The main idea behind or-

ganising the fun fair was to make children feel special and allow them to enjoy the day to the fullest. It began at 4.00 pm with parents and other local crowds pouring in large numbers to have fun. The school campus turned into a fair ground with game stalls such as Tumble the pyramid, Toss the ring, Get Lucky, Blow Bucket, and many more on the list. Many food stalls were arranged to offer a variety of delicious snacks such as Pani puri, Bhel, Pav bhaji, chat, gulab jamun, cupcakes, tea, cof-

fee, Veg patties etc. All teachers actively took part in organising all the activities and games. Special attractions of the fair were a jumping jack, live entertainment zone, and the bumper prize. The funfair helped all to come out of their dreary routines and have fun with friends and fellow beings. With the presence of large number of people, the fun fair was a huge success. The eventful two days of children's day celebration brought cheer and smile on the faces of all children.

# Honouring the brave men

March Past Drill by little soldiers of Ashwini International School

To express gratitude to the Indian Army, Army Day is celebrated every year on January 15, all over India. It is a historic day because on this day Cariappa, who led Indian forces to victory in the 1947 war, took over the command of the Indian Army from General Sir FRR Bucher, the last British Commander-in-Chief in 1949 and became the first Indian Commander-in-

Chief of Independent India. Army Day is celebrated every year to honour Cariappa and the defence forces. To mark the significance of this day, Command Special Force, Maharashtra organised many competitions for students from various schools across PCMC on January 16 and 17. The parade on Army Day began with a wreath-laying ceremony. The little soldiers of Ashwini

International School brought glory to the school by securing the first position in the 'Drill Competition'. A troop of students from classes VIII, IX, and X captivated everyone with their amazing march past. The 'Best Cadet Award' was bagged by Anish Salekar, a student of class VIII, by securing 96 percentage in various physical and mental tests conducted. On this joyous

moment Chairman, Director, Principal, Coordinator and teachers appreciated the enthusiasm and patriotism shown by the students. Students also gained wonderful experiences through the event and they were impressed all with their remarkable performance. It was the most joyful moment for the students of Ashwini International School.

# A day away from books

The most awaited day of the year for pre-primary was the School Picnic at Lekha Farm, Pune. Ashwini International School organised a picnic on February 15 for their pre-primary students. All the little ones were very much excited for their first experience of picnic with all their school friends and teachers.

The journey for the eventful day started at 9.00 am with lots of enthusiasm and excitement. All the students boarded different buses according to their classes along with their teachers and sub-staff to supervise them. All the students were very much excited and were singing songs till they reached the venue. A warm welcome was given by the staff of the venue, and all the arrangements were done by them to make the day memorable for everyone. On reaching the venue, students were served a delicious breakfast.

There were lots of exciting activities lined up to entertain all the students. The volunteers at the farm took charge of all the stu-

Kids enjoying magic tricks during their picnic

dents and a wonderful Puppet Show was presented by them. The next event was Magic Show. The magician

performed some amazing tricks which the students and the teachers enjoyed a lot.

15 march 2023

Next, all the students were taken to playground. Everyone enjoyed jumping on the trampoline. They all had a fun time in the play zone, where they enjoyed swings, slides, see-saw, merry-go-round, etc., spending quality time with their friends.

DJ time: All the students danced on the dance floor with great energy. Even the teachers could not resist the temptation to rock the dance floor. Every fun-filled moment was captured well in the photographs. Later, students thoroughly enjoyed Mehandi and Tattoo-making activity.

After getting tired and enjoying well with fun-filled activities, all the students headed for lunch. And now it was time to leave the place and start the return journey. The school thanked the trip organizer for the wonderful arrangements and finally left the place at 1.30 pm. On reaching school, students were handed over to their parents.

It was indeed a great day that gave a wonderful experience to all the pre-primary students and staff of AIS.

# A day full of fun

Ashwini International School (AIS) school organised a picnic in the month of February. The AIS yellow school buses, fully packed with students and teachers headed for Japaloupe Equestrian Centre in Pune. The students were extremely excited to reach the destination.

Japaloupe Equestrian Centre is a fun-filled picnic destination in Pune. Spread over a 12-acre facility in the country that provides end to end solutions from riding, breeding of horses, training, education programs, veterinary back up, nutrition consultancy to performance horse management.

On reaching the destination, students and teachers received warm

welcome from Japaloupe's staff. After some time, students were taken to the guided tour of equestrian center where students got to see lot of pet animals. They have pigs, geese, turkeys, and ducks, a whole bunch of rabbits, hamsters, emus, a parrot and cockatoo, some horses, a donkey, cow, goat and some small birds. All animals were so lovable and friendly. Students were then allowed to feed all animals under supervision which was really a memorable experience for children.

The keepers of the farm were well experienced and very hospitable. They gave us information on various horse breeds. Every fun-filled moment was captured well in the photographs. The pet feeding was of course the highlight of the day.

After the tour, all were served delicious and nutritious brunch. The brunch was served at a beautiful area which had an amazing vibe.

It was a great way to introduce students to farm life away from the city. All the students expressed a desire to revisit the place again. Indeed, it was a great day for all the students and teachers, as it strengthened the bond between the students and their teachers. Now it was the time to leave the place. The school buses started homeward journey at about 12 p.m.

AIS students of Class V and X went for picnic on February 13, Class VI and VII went on February 16 and Class VIII and IX went on February 24. In all it was fun-filled day for each group of students.

# CELEBRATION OF COLOURS

Kids showing off their handmade balloons

2023/3/8

Ashwini International School celebrated Holi with

all the pre-primary students and teachers in a fun-filled way on March 8 with great zeal. A special assembly was conducted to kick off the Holi celebration. The teacher introduced the significance of the festival and the story behind the celebration to students. A short story of Prahalad and Holika Dahan was narrated by a student of UKG.

To rejoice in the celebration of colours is important but to play

it safe is equally important, emphasising the need for precaution and safety. Students were instructed to play safe Holi by using natural colours instead of chemical-based colours and avoid wastage of water during the Holi celebration and pledged to play dry Holi.

Holi is the festival of colours and is famous among people of India for the interesting rituals which include playing and throwing a splash of colours over

each other, meeting friends and family and enjoying a feast of delicious delicacies prepared on this occasion.

As a part of the Holi celebration activity, teachers made cut-outs of balloon-shaped paper and students stuck the multi-colours paper pelces on it. After preparing the paper balloon collages, children attached a ribbon to it and enjoyed playing with the balloons. It was indeed a fun-filled learning day.

# Inter-School competition organised to enhance students' soft skills

The students of Ashwini International School (AIS) recently participated in the Inter-School Competition organised by G.K. Gurukul School, Pune. The competition had three different categories. For science lovers it was VIGYAN FEST. For students who love the English language it was TED-TITANS and for tech-savvy students and Computer fans it was ROBOCOM. The objective of

the competition was to make the students confident and better orators so that they can fearlessly express their views on any topic of any subject.

AIS strives to cater main focus of the school has always been on creating healthy competition and opportunities for their students to think beyond the world.

Students were preliminarily selected during the first round of competition

which was conducted through video conferencing on September 12.

Those selected students presented their topics according to their respective categories during the final round which was held on October 14 at G.K. Gurukul School.

The finalists were segregated based on their categories such as TED-TITANS, ROBOCOM and VIGYAN FEST. Two AIS students from

the senior category secured prizes under two different categories:

**TED - TITANS English Inter School Competition:** Secured 2nd Prize under group 4 (STD VII and VIII)

Secured 2nd Prize under group 5 (STD IX and X)

**ROBOCOM State-level competition:** Secured 1st Prize in a scratch programming project

Secured 2nd and 3rd Prize in junior PPT making

Secured 3rd Prize in IT quiz competition

**AIS was also awarded as "Best School for Vignyan Fest 2022".**

The prize distribution was held on October 15 where the Principal and Director of G.K. Gurukul School, Mayuri Mehta congratulated the winners for their remarkable performance and felicitated them.

AIS awarded as The Best School for 'Vignyan Fest'

## TRUE FRIENDS

Friends are very important in our lives. We study with them, play with them, have our lunch and even share secrets with them. One's life would be very boring without friends. Friends help us a lot in every aspect. When a teacher asks us questions and we cannot answer them, our friends help us. They support us in whatever we do. It is true that we often fight with our friends and don't talk to them for many days. But after some time, we become friends again because we simply cannot live without them. But we should also remember that friends influence us a lot. So, we must be very careful while choosing a friend. This is because if any of our friends has a bad habit, we too might adopt it. At the same time, if he or she has a good quality, we may learn it from him or her. So, we must have good friends who will help us to become good human beings.

## An Old Age Home – A curse of life

"Blessed are those who have the old with them", goes the old saying. Today it is sarcastic that old people are considered a burden. From generations, India had a prevailing tradition of the joint Hindu family or undivided family. Now people moved from a large extended family system to nuclear family for their selfish ends. They don't have time to take care of their parents and gradually they become burden on them.

Today, I am alarmed to see the growth of Old Age Homes across India. Why Old Age Homes?

Today Joint family system is slowly fading away and soon become extinct.

There are many reasons for that. The first - lifestyle of youngsters in present day. With the introduction of many electronic gadgets like computer and mobile phones etc. the younger generation is slowly moving away from the attachment of family bonding and gets glued to such electronic items ignoring their elders and staying away separately. The Second – Newly married women don't want their in-laws with them. Many parents who have no children to take care are either detached by their own children or goes out looking for 'Shelter Home.'

Once I visited Old Age Home. As soon as I entered the home, all the eyes started looking at me expecting something, and some even came to me and started holding my hand and some also hugged me. In Old Age Home, old people pass their time by washing clothes, visiting Gurudwara and making food. I guess this was the most wonderful, emotional and eye-opening scenario. Every person who put a parent in an Old Age Home, as they became aged, should ask himself how he would feel if his children did the same to him when he would become old. From now onwards, I will never hurt my grandparents, and will try to spend more time with them.

## Welcome Rain

Rain on the green grass,  
And rain on the tall tree,  
Rain on the house top,  
But not on me!

Rain in the small pond  
And rain on the wide road  
Rain water everywhere  
But not on me!

Rain in the long river  
And rain on the big sea  
Rain on the hilltop  
But not on me!

**Shreya Sundar Birajdar**  
Class: I Lily

## Poem : A Shady Creature

I see a Shady creature on the wall.  
It looks very scary but small.  
It runs away when close I walk.  
Away I move, it follows me to stalk.  
Ah! It spooks me out as I recall!

Hoping to find someone to call.  
I step back slowly only to fall!  
I hit the switch, and the light came on  
white as a chalk.  
The creature was gone, and I just couldn't  
talk!  
After all, it was just my shadow across the  
hall.

**Shlok Bode**  
Class: III Pearl

## School Days

Oh, the days of school, so long ago,  
A time of laughter, friends and  
so much to know.  
The hallways filled with hustle and bustle,  
Excitement and energy, so much to jostle.

Each day brought challenges,  
each day brought cheer,  
The memories we made,  
we'll always hold dear.  
From the games we played  
on the playground,  
To the notes we passed,  
without making a sound.

We grew up together,  
like a family of sorts,  
Our bonds only grew stronger,  
through all our sports.  
The pep rallies, dances and football games,  
All of them memories that still remain.  
And though we've all gone  
our separate ways,  
Our memories of school forever will stay.  
The friends we made, the  
lessons we learned,  
Those school days, we'll always yearn.

So let's raise a glass,  
to those school days of old,  
To the memories we shared,  
and the stories we told.  
To the friends we made,  
who stood by our side,  
Those school days, will forever abide.

Class: VII Einstein

## PROJECT TIGER

Tigers! What majestic animals they are! They never fail to mesmerize us with their beauty and magesticness. No wonder the Royal Bengal Tiger is the National Animal of our country. Their majesticness knows no bounds.

Even though they are some of the most beautiful animals, they are on the brink of extinction! Out of nine species of tigers, three have gone extinct. And the remaining six being severely endangered, it is very sad to know that there are only 3,900 tigers left in the wild.

In the midst of all this, our Indian Government saw an opportunity to help the tigers regain their populations. So, in 1973, Project Tiger was introduced. The main focus of this project being to help these majestic creatures roam the wild once again.

When Project Tiger began, there were estimated to be a meagre 1,411 individual tigers. By 2018, this increased to 3,346 individuals. When Project started in 1973, it had an initial nine reserves. By the 1990's this number had increased to 23 and by 2022, it had 54 reserves, the latest one being Ranipur wildlife Sanctuary. Project Tiger started in 1973 during Prime Minister being Indira Gandhi and this year, it celebrates its 50th anniversary with our Prime Minister being Honorable Shree Narendra Modi.

Project Tiger was administered by the National Tiger conservation Authority. There were many problems in the initial stages of Project Tiger.

The main problem was poaching. But the government stepped forward and protected tigers by putting them in tiger reserves and sanctuaries. Madhya Pradesh has the biggest populations of tigers (526). Other states that follows are- Karnataka (524), Uttarakhand (424), Tamil Nadu (229), Maharashtra (190) and Assam (167).

Project Tiger is made by the Government, but we too can help save tigers. To save tigers we can reduce carbon emissions or pollutions, reduce cutting of trees, stop polluting rivers, reduce the use of artificial enrichments. By following these rules, you too can bring a change!

## Evolution of Anime

Anime, a form of Japanese animation, has come a long way since its inception. The evolution of anime can be traced back to the early 20th century, where Japanese animators began experimenting with animation techniques inspired by the works of Disney and other Western animators. However, it was not until 1960s that anime began to take its distinctive form and Identity.

During the 1960s, the "Super Robot" gene emerged, which focused on giant robots and their battles against evil forces. The 1970s marked a period of experimentation and innovation in anime.

In the 1980s, anime gained a significant following outside of Japan and became more main stream within the country. This period saw the emergence of several influential anime series, including Dragon Ball, My Neighbor Totoro and Robotech.

In the 1990s was like the Golden Age of Anime, with the emergence of anime as a cultural phenomenon around the world. This period saw the creation of several influential anime such as Neon Genesis Evangelion, Sailor Moon, Shin-Chan Digimon Adventure and Pokemon. The influence of anime on western culture was significant, with the emergence of anime conventions, cosplay and a growing fan base.

In the 2000s, anime continued to evolve, with the emergence of digital animation, leading to improved animation quality and faster production times. Today, Anime continues to be a global phenomenon, reflecting changes in Japanese culture, social and technological developments and the growth of its fan base worldwide.

Some of my favorite animes are Spy X Family, One Punch Man, Demon Slayer, Hunter X Hunter, Attack on titan, and Chainsaw Man.

## स्वामी विवेकानंद

“मेरे प्यारे अमेरिकी भाइयों और बहनों” यह कहकर विश्व धर्म परिषद में सबका दिल जीतने वाले व्यक्ति कौन थे? वह वही साधु थे जिन्होंने वर्ष १८९३ में भारत की ओर से हिंदू धर्म का प्रतिनिधित्व किया था।

स्वामी विवेकानंद जी का बचपन का नाम नरेंद्र नाथ दत्त था। उनका जन्म १२ जनवरी को एक बंगाली परिवार में हुआ था। वह बचपन से ही पढ़ाई में अच्छे थे। विवेकानंद जी के गुरु रामकृष्ण परमहंस थे, उन्होंने नरेंद्र नाथ को बचपन में कई मूल्यवान शिक्षाएं दी थीं। उनमें से एक थी कि 'सारे जीव परमात्मा का ही एक रूप हैं, इसलिए मानव जाति की सेवा द्वारा परमात्मा की भी सेवा की जा सकती है।' गुरुजी कि कहीं इस बात ने विवेकानंद को काफी हद तक प्रभावित कर दिया था।

गुरु जी की मृत्यु के बाद विवेकानंद जी ने बड़े पैमाने पर भारत दौरा शुरू किया। उन्होंने ब्रिटिश भारत संबंधों को जाना और उसके बाद धर्म संसद में १८९३ में भारत का प्रतिनिधित्व करने अमेरिका चले गए।

विवेकानंद जी ने शुरुआत से ही पढ़ाई को अधिक महत्व दिया तथा लोगों को शिक्षित होने का महत्व भी समझाया। उनके शिक्षा संबंधी विचार बहुत प्रभावी हैं। उनका मानना है कि बच्चों को ऐसी शिक्षा देनी चाहिए जो उनमें शारीरिक, मानसिक और आत्मिक विकास कर सके। उनका चरित्र भी निर्माण कर सकें। उनके विचारों के अनुसार विद्यार्थियों में और शिक्षकों में निकटता होनी चाहिए।

स्वामी विवेकानंद जी के जन्मदिन को राष्ट्रीय युवा दिवस के रूप में मनाया जाता है। वे न केवल युवाओं के बल्कि हर उम्र के लोगों के आदर्श हैं। उन्होंने हमें मन की एकाग्रता, चरित्र गठन, व्यक्तित्व विकास और आत्मविश्वास जैसे कई मानवीय गुण सीखस्वरूप दिए। उन्होंने हमें बताया कि शिक्षा वही है जो हमारा जीवन सुधार सके और हमें एक बेहतर इंसान बना सके। यदि शिक्षा दिखावे की होगी तो हम कभी एक अच्छे व्यक्ति नहीं बन सकेंगे।

मेरा मानना है कि यदि हम स्वामी विवेकानंद जी की दी हुई शिक्षा का प्रयोग अपने जीवन में करें तो हम स्वयं को सफलता की ओर जाते हुए जरूर देख सकते हैं।

वीज चमकली कडकड,  
काळजात भरली धडधड.  
चोहीकडे आहे तुफान वारा,  
सोबत आल्या पावसाच्या धारा.  
पाणीच पाणी सगळीकडे,  
तळेच भरले पावसामुळे.  
तळ्यात सोडूया कागदाची नाव,  
फिरून येऊ मामाचे गाव.  
चला वेचुया गार गारा,  
अंगात भरला खुपच वारा.  
पावसात खेळायची मजाच भारी,  
गरमागरम भज्यांची चवच न्यारी.

- स्वरा शिरभाते.

### सप्ताह

सप्ताह में होते हैं दिन सात।  
आओ कर ले उसको याद।।  
सोमवार, मंगलवार, बुधवार।  
गुरुवार, शुक्रवार, शनिवार, रविवार।।  
छः दिन करते हैं हम काम।  
सातवें दिन हम सब करते आराम।  
सातवां दिन कहलाता है रविवार।  
इस दिन करती है छुट्टी सरकार।।  
नाम- माही कुमावत  
कक्षा- चौथी (एरीज)

### लहानपण

कधी कधी वाटतं लहानच असावं नेहमीसाठी,  
म्हणजे मग खरेखुरे जगता येतं.  
भोकाड पसरून जोरजोरात बिनधास्त रडता येत,  
भावनांचं व्यक्त होणं सरळ सोपं होत.  
हट्ट करून तो सहजच मनासारखा पूर्णही करून घेता  
येतो,  
लिमलेटच्या चवीचा स्वाद मनाला आजही लहान व्हायला  
भाग पडतो.  
खरंच ... कधी कधी वाटतं लहानच असावं

हवं तस बागडावं, आईच्या कुशीची ऊब,  
बाबांच लडिवाळ, भावाबरोबरची मस्ती,  
हे माझं हे माझं करत भांडण.  
भातुकलीचा खेळ आता ती मजाच म्हणा हरवलीय,  
म्हणुनच .... कधी कधी वाटतं लहानच असावं  
नेहमीसाठी
