

ARMY DAY CELEBRATION

Celebration of 72nd Indian Army Day -2020 was organized by Command Special Force, Maharashtra (CSF) on 9th February, 2020 at 2 pm onwards at Madanlal Dhingra Ground, Nigdi, Pune.

The programme had number of events in the schedule such as Drill Competition, Best Cadet Award, Commando Activities and Cultural Events. Twenty two schools across Pune had enthusiastically participated in all the events and made the programme successful.

It was a proud moment for the students of Ashwini International School as they became the part of the celebration and competed for the drill competition and best cadet award. A wonderful Oriya folk dance along with lezim display was presented by the students of Ashwini International School.

The most awaited moment finally came to an end and the results of the competitions were announced. It was indeed a proud moment for AIS, as Jeeya Kumbhar, a student of std 7 bagged the 3rd prize under the Best Cadet category. The joyous moment for AIS was doubled as they also bagged the 1st prize for drill performance. Teachers and students of Ashwini went on the dais with pride to receive the trophy.

AVISHKAR-2019-20

Ashwini International School always encourage students to participate in various competitions in order to make them acquire knowledge, build confidence and to experience new things on each platform. With a view to encourage, popularize and inculcate scientific temper, the students of Ashwini International School participated in AVISHKAR 2019-20, an Interschool Science & Math Exhibition organised by S.B Patil Public School, Ravet, Pune on 29th February 2020.

AIS students selected the category 'Feel the Fun of Maths' and made a model on "Geometrical Innovation" under group 1, and also chose to present a model on "Urban Agriculture" under group 2.

The esteemed panel of judges Dr. A K Sinha (Former Senior Scientist, ISRO) and Dr. Dilip Deshmukh (Educationist) visited each exhibit and listened to the aspiring students about their innovative model. Judging on various parameters, finally the winners under each group were declared. It was a great moment for Ashwini International School as they bagged prizes under both the categories.

AIS got the first prize under Group 1 for making a model on Spirograph and a Second Prize under Group 2 for the model of Urban Agriculture. Both the projects presented by Ashwini International School earned great accolades for concept and presentation.

Interschool & college Science Exhibition & Competition organized by Dr. D.Y Patil Vidyapeeth, Pune

With the key objective of bringing out the hidden talents of students and with a focus on creating more awareness of science and technology, an exhibition was organised by Dr. D.Y. Patil College, Pune on 2nd March 2019. This initiative was taken to celebrate the National Science Day with the theme "Women in Science". Ashwini International School was invited to be the part of this event and the school participated with great enthusiasm.

Students of Std VII prepared a model on the topic 'Future Sustainable House'

Students of Std II prepared a model on the topic 'Traffic Technology'

Students of Std VIII and IX prepared a model on the topic 'Urban Agriculture'

Students of Ashwini International School bagged the 2nd Prize for "Future Sustainable House" model, 3rd Prize for "Traffic Technology" model and Special Prize for "Urban Agriculture" model. Students were overjoyed for their wonderful achievements.

Interschool " Science -a Thon" Competition

Students from Ashwini International School participated in an Interschool Science Competition "Science -a-Thon" organized by Royaal World School, Pimpri on 30th November 2019.

Competition was held for young little Einsteins of Senior KG and students of Grade 1 and 2. School worked on making two innovative models. Kids from Sr. KG presented project on Ground Water Purification System and Students from Grade 1 & 2 made a model on Traffic Technology.

Students under the category of Std 1 & 2 were awarded 3rd prize for their project on Traffic Technology and students from Sr KG received memento for their commendable initiative to prepare a Model on Ground Water Purification System.

Young Genius Competition

"The Science of today is technology of tomorrow" -Edwart Teller

The students of Ashwini International School participated in " Young Genius Competition" organised by Skillovate Learning under the theme UNSDGs (United Nations Sustainable Development Goals) at Balgandharva Rangamandir, JM Road, Pune on 21st July 2019. The school took initiative to send the students to represent AIS for the competition.

AIS Students of class VIII and IX prepared a model on the topic "Sustainable Highway- Smart Street Light" with an innovative approach to bring awareness regarding the threat of depleting energy resources and providing an effective alternate for renewable source of energy

Students of Ashwini International School bagged the first Prize and was awarded with "Best School Project" trophy.

GTIS Futuristic Expo-2019

The students of Ashwini International School participated in an Interschool Science & Math Exhibition and Competition organized by Global Talent International School, Pune, in association with Roboshastra and Skillovate on Saturday, 16 November 2019.

Ashwini International School took initiative to present their exhibits under the categories, say Group A: Grade I and II; Group B: Grade III to V and Group C: Grade VI to VIII. More than 200 exhibits were presented by various schools across Pune.

Judging on various parameters, finally the winners under each group were declared. It was a great moment for Ashwini International School as they bagged prizes under two categories.

AIS got the first prize under Group A for making a model on Geometrical Innovation and a Consolation Prize for the model on Smart Parking.

Visit to orphanage "Punaruthan Samarasta Gurukulam"

Students of Ashwini International School always take opportunity to do things differently. This time the school made a field visit to an orphanage "Punaruthan Samarasta Gurukulam" on 11th December 2019, located in Chinchwadgoan, Pune.

Students and teachers were welcomed by Mr. Waghmare and their Team at the orphanage. Students took a round at the orphanage and got a chance to interact with children and staff over there.

Following the principles of Mahatma Gandhi, the school observed 'Joy of giving Day'. As part of the event, Ashwini International School did a food drive in school. School ensured to donate non-perishable food and toiletries to render a helping hand to the organization.

Children's Day Celebration

Children's Day was celebrated with great enthusiasm and fervour at Ashwini International School.

Trying to do their bit for the betterment of the society, the students performed a street play on 13th November 2019 at Westend Mall, Aundh on the topic "Healthy Generation is Wealthy Nation" concentrating on the issue of consumption of junk food.

Spreading awareness regarding the same, the students performed an impactful play, reaching out to a large number of people at the mall. The play also focused on issues like harmful effects of mobile on children and importance of outdoor games to lead a healthy childhood.

DHYANOTSAV-Programme of meditation practice, peace and overall well-being

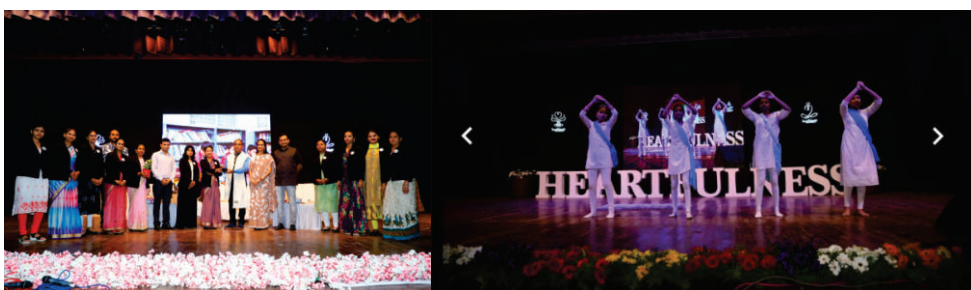

"Meditation is a journey from the complexity of the mind to the simplicity of the heart"

Ashwini International School sponsored three days "Dhyanotsav" programme organised at Rama Krishna More Auditorium.

The meditation trainers expressed their views as to how practicing heartfulness can change individual's life. Then a demo was conducted by young minds from 'Brighter Minds' to show their memory skills.

The second day of the program began with felicitation ceremony of the prestigious dignitaries along with the team members of Ashwini School. A video on 'A Heartfulness School' prepared by Ashwini International was shown depicting the various programmes initiated by the school.

The last day of the program began with felicitation ceremony of the prestigious dignitaries followed by dance performance by the students of AIS.

Educational Trip to Kanha Shantivanam 2019-20

Ashwini International School is the first Heartfulness school in Pune associated with Heartfulness Institute and follows heart based learning approach. Heartfulness relaxation and meditation is the compulsory part of school curriculum.

It was the most privileged moment for the students of Ashwini when they were invited to visit the Headquarter of Heartfulness, Kanha Shantivanam, Hyderabad. This was a great opportunity for all to meet the Global Leader of Heartfulness, Mr. Kamlesh Patel, lovingly called as Daaji.

As part of the visit, an educational trip was planned for 3 days beginning from 9th March 2020 to 12th March 2020 for the students of grade 7th to 9th. The school Chairman, Principal, admin staff, teachers, as well as students accompanied for the much awaited trip. The moment arrived when students and other staff members got the golden opportunity to meet 'Daaji', the Global Leader of Heartfulness. This was the special and the best part of the trip where students had an interaction with Daaji for about 40 minutes. Daaji answered each and every question asked by the students very patiently and convincingly.

Pottery workshop in Kanha Shantivanam 2019-20

This year students of Ashwini International School went on an educational trip to Kanha Shantivanam in Hyderabad. A trip for three days, dt. 9th March to 12th March 2020 was planned for students of grade 7, 8 and 9 to provide them the best opportunity to learn and also to gain their best experience in life.

One of the most interesting workshops was the pottery workshop which was conducted on 11th March 2020 by a group of people from both within and outside the country. The workshop was conducted by JEAN APPELBY, the Department Head of the pottery studio at Kanha Shantivanam.

Students as well as teachers were given a physical activity during the workshop, where they were asked to colour the hearts individually, made out of clay in the pottery shop. Students enjoyed learning the art work beginning with an idea, and then executing them in their own way.

Annual Day 2019-20

Annual Day forms an integral part of Ashwini International School activities. Hence, it was celebrated with great zeal and enthusiasm on 27th August 2019 at Ram Krishna More Natya Gruha. This is an occasion of celebration, felicitation, feast and festivity. The Annual Day was woven around the theme 'Changing Trends with AIS Students'. The entire school participated wholeheartedly towards the success of this grand event.

रिमझिम रिमझिम बारिश

रिमझिम रिमझिम बारिश आई।
साथ में खुशियाँ लाई।
चार महीनों तक तू रहती है
तलाब, नदियाँ चारों तरफ बहती है।
रिमझिम रिमझिम बारिश आई।

बारिश आई तब फूल खिलते है
बच्चे बारिश में खेलने के लिए जाग उठते है।
हरे वृक्ष है हरे है वन
हरे हरे दिखते है उपवन।

रिमझिम रिमझिम बारिश आई।
सभी जगह हरियाली छाई।
सभी बच्चों को सूझ ये आई
और कागज की नाव चलाई।

रिमझिम रिमझिम बारिश आई।
रिमझिम रिमझिम बारिश आई।

Education : A key To Life

You want to be in a gang
And shoot up everything with a bang
You say they will have your back
But education is what you lack
Education is the key to life
And not getting stabbed with a knife
Education will lead you to great heights
And not to everyday fights
Education will help you to excel
Not lead you to a country jail
You won't find yourself doing ten
In any country pen
or being charged with first degree murder
In a court of order
And as your family wail
you're getting life without bail
Be in a gang and stay there for keeps
You'll find yourself underground six feet deep
So instead of being paid to rest
Get an education and be the best.

Mother

You are the best,
You gave me birth.
You are the first
and the last person
Who I can trust.
You always support
Me in everything
You are like superwoman to me.
You give me everything I need
You take my all problems.
You are the light of my world.
You are a fairy that takes
all the problems, sadness
and darkness and give
light and happiness.
You are the best mother ever
My footsteps start with you.
In day and night you are my light.

निसर्गातील शाळा

मला आवडते मनातील शाळा
माझ्या स्वप्नातली शाळा
तिथे येत नाही अभ्यासाचा कंटाळा
निसर्गात असतो हिरवळीचा फळा
मला नाही आवडत चार भिंतीतला काळा फळा
सांगते अभ्यास पूर्ण कर ताई
शाळेत गेल्यास बघतात बाई
मला नाही आवडत शाळा चार भिंतीची
निसर्गातील शाळा असते गंमतीची
मला आवडते मनातली शाळा
माझ्या स्वप्नातली शाळा
पण मला आवडते अश्विनी शाळा.

शिक्षा की सार्थकता

हम सब ने अपने माता-पिता , शिक्षकों और अपने जीवन के अनुभवों से यह सीखा है कि— सफल और सुखी जीवन का मुख्य आधार स्वस्थ शरीर होता है और स्वस्थ शरीर के लिए जैसे भोजन की आवश्यकता होती है, उसी प्रकार उचित शिक्षा प्राप्त करना भी बहुत आवश्यक है। शिक्षा व्यक्ति के व्यक्तित्व का विकास करके, शारीरिक और मानसिक मानक प्रदान करती है और लोगों के रहने के स्तर को परिवर्तित करती है। शिक्षा शारीरिक, मानसिक और सामाजिक रूप से अच्छा होने के साथ ही बेहतर जीवन जीने के एहसास को बढ़ावा देती है। शिक्षा सफलता के साथ ही व्यक्तिगत विकास का भी एक महत्वपूर्ण मार्ग है। अच्छी शिक्षा की प्रकृति रचनात्मक होती है जो हमेशा के लिए हमारे भविष्य का निर्माण करती है। शिक्षा एक व्यक्ति को उसके मानसिक, शारीरिक और आत्मिक स्तर को सुधारने में मदद करती है तथा आत्मविश्वास प्रदान करती है। स्वामी विवेकानंद ने शिक्षा को परिभाषित करते हुए कहा है कि....."शिक्षा मनुष्य के अंदर निहित शक्तियों को प्रकट करती है।" इसलिए दुनिया के प्रायः विद्वान इस बात पर सहमत हैं कि शिक्षा मनुष्य के अनेक आयामों का विकास करती है जैसे आध्यात्मिक, वैज्ञानिक, सामाजिक, आर्थिक, मनोवैज्ञानिक, राजनैतिक आदि। शिक्षा किसी भी समाज के प्रबुद्धता का स्तर बढ़ाती है। शिक्षा समाज के विभिन्न वर्गों में बेहतर समन्वय स्थापित करती है।
